The host, a non-Muslim, will be asking questions about why Ramadhan is important to us as Muslims, why we fast, what the point is, how it makes us better people (Think of the Productive Ramadan videos we watched!)...etc.
2. Your script needs to be at least 2 pages long (written) and must include at least SEVEN questions and answers.
3. We will be performing some of these scripts at a later date (in pairs). The scripts are written **individually**.
